History of **THE VILLA ROMA**

Welcome to The Villa Roma Resort, a destination for relaxation, entertainment, and family fun, nestled within the beautiful Catskills Mountains and spanning 462 acres, where guests have enjoyed vacationing since 1944.

Originally established by Ernesto and Hilda Vindigni, The Villa Roma Resort began life as a mere quaint boarding house, with only 46 hotel rooms, 10 cabins, a pool, and 2 bocce courts.

From humble beginnings, The Villa Roma Resort flourished to become the resort we know and recognise today. In 1969, Martin Passante, a.k.a. 'Marty', and namesake to Marty's Lounge, located off the hotel's main lobby, became the new owner of The Villa Roma Resort. In the years that followed, The Villa Roma Resort was transformed, by introduction of the grand lobby and the Futura Wing in 1973. Hotel room expansion and the Forum Nightclub followed in 1979, and an Indoor Pool, the Ernesto Wing, indoor tennis and racquetball Courts, an Indoor Sports Complex and languishing lobby areas were completed by 1982.

Which coincided with the introduction of Timeshare to The Villa Rome Resort, an exciting development, and the beginning of The Villa Roma Resort Timeshare adventure, which today offers Timesharing and ownership vacationing across 24 Timeshare buildings, in addition to the now 139 hotel rooms. With its array of activities and amenities, including an 18-hole PGA Golf Course, a spectacular Clubhouse and Chalet with downhill skiing facilities the Villa Roma Resort was set as a Catskills vacation destination hotspot.

In September 2024, The Villa Roma Resort entered its newest and most exhilarating chapter of new ownership, under Fay Hospitality Catskills LLC and Sandeep Wadhwa, as its president and owner. Sandeep has over two decades of experience in the hospitality industry and is committed to preserving the rich tradition of hospitality and fun that has made The Villa Roma Resort a beloved vacation destination for generations. He and his staff are looking forward with a focus on enhancing guest experiences, the hotel and Timeshare facilities, and developing The Villa Roma Resort into an entertainment and festival destination of music and art, as well as supporting and showcasing local talent, for the enjoyment of all vacation seekers, including Timeshare guests, Hotel guests, day trippers and the Callicoon and surrounding Communities.

Currently The Villa Roma Resort employs over 350 employees serving over 162,000 guests' nights every year, and we look forward to continuing to build on these successes, and to welcome, serve and entertain our guests, including our loyal and valued Timeshare guests.

Thank you for choosing to vacation with us, we wish you a very enjoyable and unforgettable stay, and memories made to cherish a lifetime!

The Villa Roma Shuttles

What is the schedule for the shuttle busses?" This is among the most frequently asked questions at The Villa Roma service desk. The answer is simpler than you might think: "they are always running." The Villa Roma Resort's shuttle busses are scheduled to run from early in the morning, until late at night, to accommodate every guest's needs. A shift change in the late afternoon is the only time there might be a slight interruption in service, however, in most cases the transition between drivers is seamless, and will never even be noticed.

In fact, in the summertime, during our winter sports season, and when large groups are staying at the hotel, we often have two busses running simultaneously. The shuttles always park in the hotel's front circle (in the front of the main lobby). They wait there until a guest requests to be taken somewhere on property, or until a guest calls from one of the outlying buildings to request a ride. The shuttles will travel anywhere on property that a guest requests (the time share buildings, the sports complex, the stables, the ski chalet, the go karts & the golf club house, etc.). When the shuttles have completed a trip, they come back to the front circle and await further instruction from the guests they are here to serve.

The shuttles do not provide rides to local towns, the Resorts World Catskills Casino, Bethel Woods Center for the Arts, or any other local destinations, except under rare, and prearranged circumstances. As always, you can expect our drivers to be professional, helpful and courteous. Your understanding in waiting your turn for the shuttles to finish delivering other guests to their destinations before they pick you up will be very much appreciated. Your patience will help greatly in assuring everyone has a fun experience, and a quality stay at our resort. Thank you so much!
